

**2008 Deer River High School Activities
Rollerbound for Rivertown III “The Final Chapter”**

For the past two years Phil Hermel has helped raise funds to support the Deer River High School Activities Department.

It is with great sorrow (but much admiration for his feet!) that this year will be the final chapter of Rollerbound for Rivertown.

Any doubts you have will be erased as Phil finishes 100 miles as he rollerblades “Country to Country” on Wednesday, October 15th.

We gladly accept any monetary donation you are willing to give but Phil’s offering an added incentive. If you donate over \$50 you get a free t-shirt featuring the above logo and a list of last years donors!!! Donors will also be mentioned through media outlets covering the event. Thanks for your support!
